

## **What to consider when hiring your Bed Bug Dog Inspection Team**

1. Is the team certified?
  - a. Scent detection teams are required to be tested and certified annually
    - Ask to see the certification
  - b. Scent detection teams should be carrying on regular training sessions to ensure the best accuracy possible
    - Ask to see training records
2. Do they carry workers' compensation and liability insurance?
3. How long have they been in the K9 detection business?
